

Teaching at Gyosei International School

Gyosei International School in Kisarazu City, Chiba Prefecture, Japan is a private Catholic school that has Kindergarten, Primary, Junior High and High Schools accredited by the Japanese Ministry of Education, Culture, Sports, Science and Technology. Each division has an International Course where the majority of classes are conducted in English. Please refer to the relevant sections of the school website www.gis.ac.jp for information on the courses and curriculums.

Teaching in the Junior and Senior High School in the International Course

Teachers are usually employed to teach the following subject combinations:

Math

Science (Junior Science/Biology/Physics/Chemistry)

Math/Science

English Literature/English Writing/Humanities (History/Geography/Contemporary Society)

Class Sizes 10-20 students. 20-25 teaching hours per week. Working hours 7:30am-4.30pm Monday-Friday and 7:30am-1:30pm Saturdays. Some Public Holidays are working days. Teachers will sometimes be required to work outside these hours for school events and meetings. Paid Summer(approx 5 weeks), Spring(approx 10 days) and Winter Vacations(approx 13 days) plus 5 short 5 day(including Saturday and Sunday) mid-term breaks each year.

The International Course has one home room class per grade Junior High grades 1,2,3 and High School grades 1,2,3. Teachers are usually assigned a home room and given responsibility for the care of the students and communication with their parents. They are required to work closely with a small team of 8 non Japanese teachers in the International Course to monitor student progress and discipline and to develop curriculum. Teachers also need to be prepared to help students academically out of lesson time, to prepare materials for distribution to parents and work together to prepare for school events.

Yearly Contract(renewable long term). Starting salary ¥3,600,000 per year. Visa Sponsorship.

Dormitory accommodation available on the school campus. The School will assist teachers to find suitable accommodation in Kisarazu.

Applicants are required to hold a Bachelors Degree in the relevant subject areas and original transcripts of this degree and the graduation diploma must be submitted to obtain a Japanese

teaching license. The school usually hires teachers with teaching qualifications and/or at least two years teaching experience in their subjects or as an ALT in Japan.

Full-time positions for Native English Speaking Teachers starting April 1st.

No positions are currently vacant in the International Course in the Junior or Senior High School.

However, teachers interested in a position are welcome to submit their details and may be contacted should a suitable position become available.
