

## Teaching at Gyosei International School

Gyosei International School in Kisarazu City, Chiba Prefecture, Japan, is a private Catholic school that has Kindergarten, Elementary, Junior High and High Schools accredited by the Japanese Ministry of Education, Culture, Sports, Science and Technology. Each division has an international course where the majority of classes are conducted in English. [www.gis.ac.jp](http://www.gis.ac.jp)

### Native English Teachers

Full-time positions are available from April 1, 2012 to March 31, 2013.

Prefer long-term commitment.

### Elementary School

Homeroom teachers who can take charge of Immersion classes.

ESL teacher who teaches ESL in the regular primary school division and provides teaching support in the international division

Students: 1st – 6th grades, Class size: 20–25, Teaching hours: 24–25 / week

### Junior High & High School

Math

Science : Chemistry, Biology, Physics

English (conversation, critical reading, essay writing)

Social Studies

Students : 7th – 12th grades , Class size : 10–25 , Teaching hours : 20–25 / week

Must be able to work daily from Monday to mid-Saturday.

For junior high and senior school teachers, to compensate for Saturday work, several five-day breaks are scattered throughout the year, allowing the teacher time to take short trips in Japan or Asia.

Please see the calendar on the Japanese school home page [www.gis.ac.jp](http://www.gis.ac.jp) for work and holidays for this school year.

For the elementary school teachers, there is no school on national holidays and there is a slightly longer winter vacation in order to compensate for Saturday work. Please see the calendar for the primary school on the Japanese school home page for the schedule for the current school year.

Dormitory for teachers is available on the premises of the school.

Paid holidays and vacation.

Starting salary: 3,600,000Yen to 4,000,000Yen per year.

Visa sponsorship provided.

Other benefits

Applicant Requirements

Bachelor's degree in teaching field.

Teaching certification, TESL / TESOL / CELTA / ESL preferred.

Two years full-time successful experience in teaching field

Gyosei normally hires teachers with at least two years of successful teaching experience in the field of application. Teachers must be certified or licensed to teach by their own countries.
